1. INTRODUCTION

Agriculture department has introduced schemes for Farmers across Maharashtra through Direct Benefit Transfer (DBT) to avail subsidy benefits. Application has Five tiles through which Farmer (i.e. Applicant) will be able to select component(s) and apply for subsidy benefit.

A. Farm Mechanization
B. Seeds, Chemicals and Fertilizer
C. Irrigation devices
D. Special Schemes for SC - ST farmers
E. Horticulture

2. LOGIN/REGISTER - FARMER

To access the application applicant must enter following URL link in the browser (test URL has provided).

URL Link: [http://testdbtapp.mahaonlinegov.in/](http://testdbtapp.mahaonlinegov.in/)

As an applicant, he/she must register himself/herself first to avail services and hence needs to click on “Farmer Schemes” Tab.
On click of “Farmer Schemes” Tab, it will open below page where applicant needs to click on “New Application Registration”.

On click of “New Application Registration” Tab, it will open a Registration page where applicant requires entering details to register.
On click of “Register” button, applicant has two options available for Registration based on Aadhaar details.

If applicant selects as “No” for New Registration option, it will redirect to Non Aadhaar registration process.
On successful registration, it will display a success message.

Post successful registration, applicant requires clicking on “** Applicant Login**” Tab.

On click of “Applicant Login” Tab, it will open Login page.
Applicant will receive two options to login through
1. User ID
2. Aadhaar Number

If applicant selects User ID then he/she requires entering User ID along with Password details and requires entering appropriate Captcha code to log in to the application.

Applicant requires completing his/her profile details. Applicant requires clicking “Click here” link to complete profile details.
As applicant clicks on “Click here” link, applicant will be able to enter Personal details, Address details and Land information details to complete profile 100%.

Applicant requires clicking Save button to enter details for Address information.
Applicant requires clicking Save button to enter details for Land details information. On click of Reset button, entered details will be cleared i.e. it will get refreshed.

Applicant requires entering 8A Extract details for selected Village and 7/12 details.
After successful Save; applicant’s profile gets completed 100%.
If Applicant opts Yes for “Do you have land in multiple villages” then applicant requires entering details for 8A Extract details for selected Village and 7/12 details for its respective village lands.
Now, applicant has to click on Apply button to select components from its respective tiles.

On click of Apply button, it will open Tile selection page.

Applicant requires clicking on “Choose Component” Tab of respective tile to proceed ahead.
On click of Choose Component Tab, applicant will be able to select components from:

1. Farm Mechanization
2. Irrigation Devices and Facilities
3. Seeds, Chemicals and Fertilizers

2.1. **Farm Mechanization**
